Because of this, Soroptimist International of Ukiah would like to invite your business to partner with us in the new Soroptimist Corporate Engagement Opportunity (CEO), a mutually beneficial program. We're a diverse group of women representing a wide range of professions, small businesses, generations, backgrounds and interests... all with a common thread that connects us - the desire to improve the lives of women and girls. We do this by providing financial and volunteer support. We also have a great deal of fun!
