### PRESIDENT'S MESSAGE

By Katie Kight  
SI Ukiah President  
2012-2013

*"It is by making a small difference, again and again, that you realize what an enormous impact you are capable of making." - Ralph Marston*

Greetings SI Ukiah Members and Friends,

What an uplifting Conference. SI Ukiah Members - YOU ARE FIREWORKS! Thank you to everyone who attended the Founder Region Conference in San Ramon May 3rd, 4th and 5th and to those who helped over the past several months in preparation. Your volunteer support, working with the other Mendocino County host clubs, allowed the conference to be the success that it was. I enjoyed our club "team building" activities while we were there! I really appreciated this time spent together laughing and having fun. - Thanks for the memories!

One of the greatest highlights of conference for me was hearing from the Fellowship, Women's Opportunity, Violet Richardson and Ruby Award winners, especially having our Women's Opportunity Award Winner, Dani Foreman, honored by District IV. It was great to see Dani shine at the podium as she accepted her award!

Thank you to Lucille Mirata, Scholarships and Awards Chair and the committee members for your diligent review of the exceptional scholarship and award applications we received. I know the decisions were tough. I enjoyed celebrating with each of the winners at the luncheon. We can take great pride in offering our support and recognition to our Ruby Award Winner who is making extraordinary efforts to improve the lives of youth in our community and the growing achievements of our Scholarship Recipients and Women's Opportunity Award Winner who are pursuing a higher education to reach their future career goals and live their dreams.

Thanks to Tami Glasco for the scarf tying lesson at our last Hospitality Meeting. Tami, you had us all tied up in knots! I'm looking forward to the Installation dinner Thursday June 20th. Please be sure to mark your calendar and plan to attend. It promises to be fun and a wonderful closure to a productive club year.

Together we're brightening our club, community and world!

- Katie

**THE VALUE OF TIME**

*Imagine there is a bank that credits your account each morning with \$86,400. It carries over no balance from day to day. Every evening the bank deletes whatever part of the balance you failed to use during the day. What would you do? Draw out every cent, of course?*

*Each of us has such a bank. It's name is TIME.*

*Every morning, it credits you with 86,400 seconds. Every night it writes off as lost, whatever of this you have failed to invest to a good purpose. It carries over no balance. It allows no over draft. Each day it opens a new account for you. Each night it burns the remains of the day.*

*If you fail to use the day's deposits, the loss is yours. There is no drawing against "tomorrow." You must live in the present on today's deposits. Invest it so as to get from it the utmost in health, happiness and success!*

*The clock is running! Make the most of today.*
